Project Title: Exploring a question

Project Description:

<i>Dimensions</i>	<b>Needs Improvement</b>	<b>Developing</b>	<b>Proficient</b>	<b>Exemplary</b>
<b>Individual participation</b>	Never prepared, doesn't focus on question,	Has a question but doesn't follow through,	Identified question, strives to answer question, uses multiples sources	Sources are employed to explore the depth and complexity of the question
<b>Group participation</b>	Doesn't offer support to peers	Attends mtgs but seldom offer support or clarifying questions, suggestions to peers	Asks clarifying questions, offers suggestions for direction and additional resources.	Challenges peers to improve their research,
<b>Analysis and Synthesis of the question</b>	Does not explore beyond the minimal answer.	Uses only one or two sources and doesn't challenge self or the issue beyond the obvious answer.	Uses multiple sources and begins to question the "obvious" answer. Challenges the validity of sources.	Ponders how the answer may have greater impact on others. Struggles to determine if additional solutions might be equally valid.
<b>Presentation</b>	Does not present	Presentation is not complete and lacks supporting evidence	Prepared presentation that addresses all areas of the questions. Uses multiple forms of materials	Engages and challenges participants to consider the significances of the issue at hand.
