

Areas for Improvement	Criteria <i>Standards for Performance</i>	Evidence of Exceeding Standards
	<p><i>Participation:</i> Strives to answer the question, uses multiple sources and those sources are employed to explore the depth and complexity of the question. Participates in critical discourse or provides an in depth written reflection on the question or topic at hand. Participates on a consistent basis.</p>	
	<p><i>Analysis/Reflection:</i> Uses multiple sources and begins to question the “obvious” answer. Challenges the validity of sources. Ponders how the answer may have greater impact on others. Struggles to determine if additional solutions might be equally valid.</p>
