Close the Achievement Gap(s) Between Student Groups

Goal	Result	Goal Status
<p>Provide the established SMART goal for the 2021–22 SY.</p> <p>Racial and economic achievement gaps will be closed at Technical Academies of Minnesota by having a personal learning plan designed to meet each student's individual needs within 30 days of enrollment, approved by their advisor, with continual updates throughout the academic year.</p>	<p>Provide the result for the 2021–22 SY that directly ties back to the established goal.</p> <p><i>Achievement gap data</i> - TAM schools utilize NWEA, MCA, and HOPE survey results to identify student growth areas. This information is then aggregated to all staff, so it can be utilized in each student's personalized learning plan (PLP). The purpose of the PLP is to act as a scope and sequence for each student in their academic and personal learning for the year. The plan each student creates helps to drive the specific support that they need from the TAM staff. This plan is updated every six weeks to ensure the student is making progress. A variety of RTI tiered strategies are implemented with the student, based on their specific plan. The plan may include early identification of students who are struggling, providing services for identified students such as reading groups, hiring a licensed math instructor, and developing and assessing weekly SMART goals. The ongoing NWEA, MCA, and HOPE survey results, along with additional formative assessments by licensed staff, act as indicators of student success after the implementation of the strategies were put into place in the student's PLP. TAM takes a proactive approach to identify at-risk students, who have the potential to fall behind and not graduate. The amount of credit each student earns is tracked by staff on a monthly basis. A team is formed to work with the students to create a plan on how to help the student catch up on credits and stay on track. This is offered to all student demographic groups. 2021–22 Achievement and Integration (A&I) Progress Report

Once they are approved by MDE, Achievement and Integration (A&I) plans are in effect for three years. At the end of the third year, the commissioner must determine if districts met each goal in their approved plans ([Minn. Stat. § 124D.862, subd. 8](#)).

In order to do this, each district is asked to provide information in this A&I progress report indicating whether or not each of their plan goals was on track or has been met. The information you submit will also be used to provide ongoing support for your A&I efforts.

Districts with one or more racially identifiable schools will also submit progress reports to verify whether 2021–22 A&I plan goals for each of those schools were on track or have been met.

Districts that don't meet plan goals after three years are to consult with the commissioner on improvement plans and use up to 20% of their annual A&I revenue to fund improvement strategies—strategies that will make it more likely for a district to meet their new A&I goals (Minn. Stat. § 124D.862, subd. 8).

Please ensure your Achievement and Integration leadership team collaborates when completing this report.

This progress report has two parts:

1. **Achievement and Integration:** Required for all districts that were implementing an MDE approved Achievement and Integration plan during the 2021–22 SY.
2. **Racially Identifiable School (RIS):** Required for districts that were implementing an MDE approved Achievement and Integration plan for Racially Identifiable Schools during the 2021–22 SY.

***Please use this template as an internal tool to gather information. Responses should be submitted electronically in the [Combined 2021–22 WBWF and A&I Annual Summary & Progress Report](#). You can copy your responses from this template into the electronic form.**
